FOOD

Our hot & cold bars offer chef-made soul food including organic rotisserie proteins, salads, sandwiches, and wraps all made fresh daily from 8am.

Can't decide on one? Have it all! Our combo plates are priced by weight, so you can load up as little or as much as your appetite desires.

PANTRY / CELLAR

Our pantry is an extension of a life well lived. Connecting you with products defined by quality, sustainability, and ethical sourcing.

Grocery essentials for everyday range from local dairy and deli provisions, to pantry essentials, condiments and much more. We also offer a wide range of celebrated and organic wines to match your next dinner party, long lunch or picnic.

Our space serves as a portal to discover, encouraging exploration, learning, and a deeper connection with every aspect of daily life, offering you an opportunity to make informed choices on what you put in your body, that benefit you forever.
